- » Includes 3-year parts warranty and 1-year labor warranty

AGI farm products

AGI grain bins

- » \$0.03/Bu rebate based off max. bushel capacity rating

AGI grain bins + AGI material handling equipment

- » \$0.035/Bu rebate based off max. bushel capacity rating (applies to bins only)

AGI dryers

- » \$2/BPH rebate (500-5,200 BPH)
- » Rebate based off the "All heat 210°F (22%-17%)" bushel capacity rating

AGI portable handling equipment

- » 5% MSRP rebate
- » Includes AGI brand augers, conveyors and grain vacs
- » Only new equipment qualifies for rebate

AGI Sentinel buildings

- » Rebates based off building square footage

| Building sq. ft. | Rebate |
|------------------|----------------|
| 3,000-6,000 | \$0.12/sq. ft. |
| 6,001-10,000 | \$0.18/sq. ft. |
| 10,001 + | \$0.24/sq. ft. |

How it works

- » To learn more, contact your local strategic account representative or an AGI Strategic Account Manager.
- » If an AGI product is purchased, the AGI BinManager discount is applied directly to your quote. For all other rebate-qualifying AGI products, submit your final invoice to the AGI Strategic Account Managers, with a completed W-9, and they will submit your documents to the AGI accounting team for verification and distribution.

** Disclaimer: Rebate levels are subject to change due to unexpected increased costs of materials and/or manufacturing. In the event this should arise, AGI will communicate with all Strategic Partners in a timely fashion.

** All rebates are based off retail price, not final invoice price.

** Rebate and/or discount cannot be applied in conjunction with other AGI discounts.

** Invoices must be submitted to AGIGrowerRebates@aggrowth.com within 30 days of purchase to qualify for associated rebates with completed W-9.

** All 2026 AGI product invoices must be received by the AGI Strategic Account Managers by December 31, 2026. 2026 AGI product purchases cannot be submitted for rebates in 2027.
